It's been one of the most successful / historic fall / winter's in the history of Steck in terms of awards, student and parent involvement and overall happiness. The CSC committee is very pleased and now most focus on the work ahead.

We celebrated the success of the Thanksgiving lunch program (two different locations this year), the incredible amount of Teachers' Awards from DPS were achieved by Steck personnel, and the addition of \$4K raised from Steck dining out thus far.

Principal Update: Robin briefed us on the following

- There has been lots of tours hosted to potential new families for the following school year.
- The responsive classroom training is going very well and teachers are able to apply tactics immediately, very positive thus far.
- We are still negotiating numbers from the bond, but school improvements are happening consistently with funds, keep your eyes open for lots of changes!

- There is no easy fix, this is very convoluted and involved.
