Principal Update

- The \$12K pavilion structure is almost done.
- The bond-funded classroom furnishings have been completed and teachers are pleased.
- There will be lots of staff openings at Steck for the 2019 – 2020 school year for various reasons including at least three retirements, two maternity leaves, moves to other states, etc.
- Teachers are compiling a list for needs for PTSA through Mr. Almon.
- There will be a new math program implemented that is very much like iready
- DPS has predicted Steck to have 327 students next school year, down from the current 337 that means a loss of \$70K in funding.
- Principal has started on upcoming budget and she is expecting the teacher and para salary to go up.
- Budget will be finalized in Feb / Mar

Tobey Bassoff of DPS presented the school / community survey results re: Principal search.

There was a total of 71 surveys submitted.

Results

74% of teachers / school staff wanted to move forward with one candidate.

26% of teachers / school staff wanted to open the position up to more than one candidate.

38% of the community / parents wanted to move forward with one candidate.

62% of the community / parents wanted to open the position up to more than one candidate.

The core members of the CSC (aside from the Principal and Assistant Principal) then voted to open up the position to multiple candidates. Due to this decision there will be an addition CSC meeting held on Jan 30 to determine the committee for the principal interviews.

Traffic Update

- None.

Jan 30 Meeting Notes

All voting members (seven) aside from the Principal and Assistant Principal were present at the meeting hosted by Chip and Tobey from DPS to select the Principal selection committee.

The submissions for various positions (staff, community, CSC member, etc) are all available in a portfolio in the main office.

The seven members voted and came to a consensus on the selection committee. This committee can be found on file in the main office.
